# SHAPING CORPORATE BOARD LEADERSHIP

**50/50 Women on Boards**, a 501(c)3 nonprofit, is the leading global education and advocacy organization committed to transforming corporate governance because it's good for business.

**Our Global Summit** is the only gathering of its kind where influential board directors and global leaders convene to shape the future of business. This high-caliber event explores how boards can drive growth and respond to today's most pressing challenges. As a sponsor, your company not only supports vital board education — you also gain unparalleled visibility by powering a mainstage conversation or breakout session.

# HERE'S HOW WE HELP ADVANCE YOUR COMPANY'S TRUSTED EXPERTISE

## Forge Strategic Business Partnerships

Develop valuable relationships with global organizations and leaders committed to inclusion.

## Establish Your Industry Leadership

Share your trusted expertise with a network of executives, investors, and corporate leaders.

## Contribute Meaningfully to Board Education

Demonstrate thought leadership by moderating a mainstage conversation or curating a breakout session.

Let's discuss how your company can expand its influence through [The 2026 Global Summit](#).
